

**Third Meeting of the Memorandum of Understanding on
the Conservation of Migratory Grassland Birds of Southern South
America and their Habitats**

Florianopolis, Brazil, 2 - 4 December 2024

UNEP/CMS/GRB-MOS3/Doc.5.1a

MONITORING TOOL

1. The monitoring tool of the Action Plan of the Memorandum of Understanding on the Conservation of Migratory Grassland Birds of Southern South America and their Habitats is contained in the Annex to this document.
2. This monitoring tool contains two spreadsheets.
 1. The first one titled MOS3 2024 contains a detailed list of the activities included in the Action Plan and the feedback reported by Brasil, Argentina and Paraguay. The other two signatory states, Uruguay and Bolivia, have not submitted an update in time for this document.
 2. The second spreadsheet titled Panel de Gestion contains a summary of the implementation of the activities.
3. This document provides an update to compare with the one produced for the virtual meeting of the signatories of the MOU that took place in September 2020, which can be consulted [in this link](#)

Recommended actions

4. The meeting is recommended to:
 - a) review the current monitoring tool regarding the need for amendments;
 - b) discuss and endorse any possible amendments to the current monitoring tool, as appropriate.
